

ENVIRONMENTAL POLICY STATEMENT

To ensure that KMD Company Ltd provides services within an environmentally sound framework, as a company we are committed to operating an Environmental Management System, which meets the requirements of ISO 14001.

It is our also policy to:

- Ensure employees act in accordance with this policy and KMD's Environmental Management System
- Ensure our employees and workers have relevant competences to fulfill their environmental responsibilities
- Implement procedures to detect and where possible prevent pollution
- Set and monitor environmental objectives and targets
- Reduce waste and the consumption of resources (materials, fuel and energy) and ensure unavoidable waste is recycled, reused or recovered, where possible, or disposed of responsibly
- Foster a sense of responsibility for the environment amongst KMD's employees and workers
- Monitor and where possible to reduce the impact of our activities on the local and wider environment.
- Ensure compliance with relevant legislation and regulations
- Continually strive to improve KMD's environmental performance

The Directors shall be responsible for regularly reviewing the policy and where necessary update the policy, communicating any changes to employees and workers.

Paul Carden
Director
